JOIN THE KPTA....

Did you know that volunteering is **NOT** required to be part of the PTA and PTA membership enrollment is the largest fundraiser at Kendale Elementary? Joining the PTA is an essential element in the extraordinary educational quality that our students receive at Kendale Elementary, including activities and extra-curricular events such as school beautification, sports equipment, honor roll and attendance incentives, security system, morning announcement system, school supplies and expenses, and staff appreciation. Additionally, the PTA contributions have been and will continue to be essential to keep this and future projects in progress that depend on your financial support.

1. **Benefit your child and their peers:** your membership dues and donations contribute directly to your child's education by benefiting programs that provide campus technology improvements, special events, recess equipment, special events and student reward incentive programs.
2. **Get Connected:** meet the parents of your child's peers and review updates through social media and classroom chats. PTA members are able to vote at meetings.
3. **Be a Role Model:** demonstrate the importance of community involvement and the education of our children through volunteering.
4. **Witness Improvement:** be part of the solution and help make positive changes at your child's school.

School Term: 2024-2025	Annual Fee: \$10.00 per member
Parent Name:	Phone# Email#
